Dear Mark

I wanted to thank-you for your heart filled desire to educate and protect our students with many useable applications of the internet. You did a great job of making our students comfortable and attentive to your messages; in other words- you got on their level.

There has been an overwhelming "Positive" feedback from students, Teachers, Administrators, and Parents. Everyone learned a great deal about safeguards while social networking. You really made an impact in our school and community.

Thank You again for your passion to help protect others.

Sincerely,

A handwritten signature in black ink that reads 'Donny Williams'.
