To whom it may concern:

It is always a pleasure to recommend a person of the caliber of Matt Tibbetts of TGB Fraud Solutions. His training of our staff and students was of the highest quality, very user friendly, and timely.

His outstanding people skills and effectiveness as a trainer were enhanced by his use of humor and real world examples to help all present understand the world we live and work in today. Evaluations of his presentation reflected a very complimentary opinion by the staff with the solutions being particularly well received.

Very Truly Yours,

Carolyn A. Martin

Of Instructional Services
